Emission Classification of Building Materials

Sika Deutschland GmbH

The classification committee appointed by Rakennustietosäätiö RTS sr has approved product:

SCHÖNOX® Q8

to Emission Class M1. The classification is valid until **24.08.2028**.

Sika Deutschland GmbH has the right to mark its classified products with the classification label and to use the classification label in the marketing of these products. The classification decision is based on documents Classification of Indoor Environment 2018, and Emission Classification of Building Materials, General rules.
