

Certificate

Product:

Sikafloor®-305 W

Client:

Sika Deutschland GmbH
Kornwestheimer Str. 107
70439 Stuttgart

The cured coatings of the above mentioned product were tested for their migration behaviour by direct contact in terms of organoleptic test, isocyanates and specific migration (isothiazolinone and primary aromatic amines) (WESSLING test report CAL20-082739-1) and specific migration (GC-MS-screening) (WESSLING test reports CAL22-094083-2 from 2nd February 2023).

With regard to manner and extent of the performed examinations the tested present samples provided by the client are in compliance with the following regulations, each in their current version:

- Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27th October 2004 on materials and articles intended to come into contact with food and repealing of Directives 80/590/EEC and 89/109/EEC

With regard to a potential influence of foodstuffs and in consideration of the test results, the tested samples are fit to be used as coating in floor areas in indirect contact with foodstuffs in food processing/food distributing companies.

The traceability according to Regulation (EC) No. 1935/2004 as well as good manufacturing practice in terms of Regulation (EC) No. 2023/2006 will be guaranteed by the company mentioned above.
